WITH A BICYCLE
COMES OPPORTUNITY

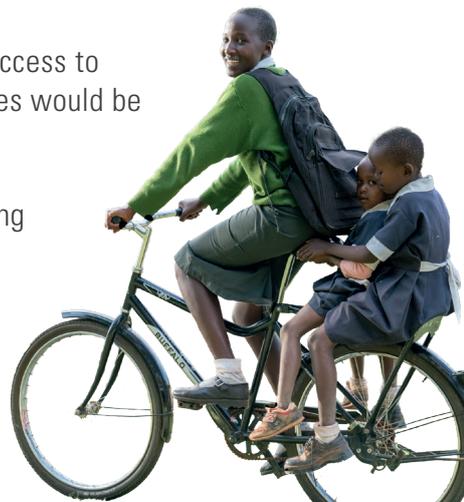

YOU ARE MOBILIZING PEOPLE!

I donated to World Bicycle Relief on your behalf.

Imagine having to walk everywhere, every day. Your access to education, healthcare, jobs and other essential services would be severely limited.

The gift I made on your behalf will provide life-changing bicycles through World Bicycle Relief's programs and empower students, healthworkers and entrepreneurs in rural regions to change their world with bicycles.

With a bicycle comes opportunity.
